MAYORS NOVEMBER 2011 NOTES

It seems like the last month has been a blur of events with Swiss Days, the St. George Marathon, the World Senior Games and the St. George Wagon Train and don't forget Deer Season and Halloween. Throw in high school, college football, the NFL and the World Series and this has been a very busy place and time. Before you know it the Holiday Season will be on us. I don't know about you, but I'm ready to slow the pace down a bit. Fall has always been my favorite time of year, the mountain leaves changing colors, Indian summer days, cooler evenings and the crisp morning air. The fall harvest and the return of livestock to the fields from the summer pastures. It just seems we don't have time to enjoy the simpler things anymore.

November is the season of thanks and hopefully you will take the time this year to thank a few special people who make your life a little better. I want to start by thanking this country's veterans, past, current and future. Thanks to those who put their personal life on hold to take up arms and defend this country and the ideals it stands for. Thanks to those families who have made the sacrifice of time spent with loved ones and in some cases made the ultimate sacrifice for freedom here and overseas. Thanks to those currently serving. May God bless you as you serve, and keep you safe until you can return home to your loved ones. Thanks also to those of you who are preparing to serve, in basic training or ROTC Programs, or maybe just considering the idea. Set your goals high, we need more people like you. Remember Veterans Day is November 11th, take a few minutes and thank a veteran for the freedom you enjoy.

Thanksgiving will soon be here and families will gather together in celebration. I hope you will take a few minutes and express thanks to some of those who have influenced your life. Your parents, grandparents, kids, grandkids, neighbors and other loved ones will appreciate your thanks and kind words. An act of humble service can mean so much to both the giver and the receiver. Something as simple as visiting a good friend or elderly family member can bring so much joy. Don't wait too long; we have all heard the stories of good intentions turning into missed opportunities. Do it today Santa Clara!

Until next month, thanks to all of you for making this a great place to live and raise a family.

STORM WATER WATCH

Substances illegally dumped on streets, into the storm drain system, and into creeks, washes and vacant lots include paint, used oil and other automotive fluids, construction debris, chemicals, fresh concrete, mortar, leaves, grass clippings, and pet waste. All of these things can cause storm water and receiving water quality problems as well as clog the storm drain system.

Offenders caught dumping illegally may be subject to citations and fines.

To report spills, dumping emergencies, violations or suspicious activities please call (435)-673-6712 the main City phone number and after hours number. Generally an investigator will respond and in most cases visit the problem site.

Parks and Recreation News

The City has been awarded the Community Forestry Partnership Grant for 2011. The Grant will be used to fund riparian restoration of the Tuacahn Wash along the Lava Flow Trail that passes through the Arboretum and Little League Park. The restoration will create a favorable environment for wild life and help clean pollutants from the air and water. The restoration will include harvesting stems for planting and planting of several hundred potted trees. The City is looking for volunteer groups or young men that need a challenging project to earn their Eagle Scout. For more information, email Brad Hays at bhays@sccity.org or call 435-656-4690 ext.221. We look forward to working with you to make Santa Clara a better place to play and live.
